The Youth Corner

National LaMancha Premier Youth Winner

When Audrey got her first goat at age 8, she was hooked. Her first doe kid was a LaMancha bottle baby that she happily cared for and fed everyday. It LaMancha love at first sight. She was lucky enough to receive her first doe from Leslie Diaz and High Tor Dairy Goats. The first time Audrey stepped into the showmanship ring she knew she was hooked. She was 9 years old and spent hours preparing her showmanship partner, Roc-N "J" Bad Penny.

Fast forward 10 years and she has learned incredible amounts of knowledge and is proof that showmanship is an every day effort, not just a show day effort. She has a wonderful herd of goats registered under the herd name "Argonne's." She chose that name in remembrance of her great-grandfather who served in the US Navy and was aboard the USS Argonne during the attack on Pearl Harbor.

Audrey loves spending hours on ADGA Genetics and studies the scorecard regularly. She looks forward to a lifelong journey breeding and showing her LaManchas. She has many wonderful mentors and goat friends along her journey. Winning Premier LaMancha Youth Exhibitor and having some of her goats place at Nationals was the highlight of Audrey's life!

Thank you to the American LaMancha Club for their continued support of youth LaMancha breeders!

The ALC Youth Honor Roll program was developed to coordinate with the ADGA Youth Honor Roll program which was designed to recognize youth participants in DHIR. The program recognizes youth with does who are on official test and have produced 3,000# of milk, 100# of butterfat or 90# of protein in 305 days or less. These animals are then listed on the Youth Production Testing Honor Roll. ALC youth 18 & under who have been recognized by ADGA are encouraged to apply for the ALC Youth Honor Roll. The Application can be found at <http://www.lamanchas.com/ALC%20DOE%20HONOR%20ROLL%20APPLICATION.pdf>

Deb Macke—President Candidate:

Hi everyone,

My name is Deb Macke and I am running for President of the ALC. I have been a member of the ALC since 1990 and have served several terms as Secretary-Treasurer as well as serving on multiple committees including Awards, All American, Raffle, Breed Standards, Specialty, Youth and Production. I have chaired Specialty, All American, Youth and am currently chairing Production. I designed and have been responsible for update of the ALC website for many years and I have edited the newsletter for several years in the past. I have also been a member of the ADGA National Show committee for many years and was chair of the 2017 National Show as well as a member of National Show Long-Range, Judges, Annual Meeting and Youth. I am a lifetime member of ADGA and was a 30+ year member of the Chippewa Valley Dairy Goat Association in NW Wisconsin, a member of the Wisconsin Dairy Goat Association where I served as president and the Minnesota and Iowa Dairy Goat Associations.

I have been breeding dairy goats since 1985 when we started with a couple of grade Alpines as a 4-H project for my 8 year old daughter. Mom fell in love and that was just the start. We milked commercially with a mixed herd of Alpines, LaManchas and Saanens for 5 years but eventually the distance from the milk markets forced us to make the decision to concentrate on our breeding stock herd. Most of the herd was exported to Canada and the basis of our LaMancha herd remained. Our herd is on DHIR thru Dairy One and we Linear Appraise annually. We show at a few major shows a year and the National Show when it is within driving distance. I strongly believe that our does should be productive as well as beautiful and we emphasize milk production throughout our breeding program and are very proud of the numerous Breed Leaders we have bred. We live on a 40 acre farm in NW Wisconsin having sold our dairy herd in 2009. We raise part of our own hay here at the farm.

I feel the ALC is very important to our breed. We are the face of the LaMancha breed and it is our job to encourage new members, satisfy the current members and work on programs to improve our breed. It is also our responsibility to represent our breed and work to promote it. I believe the ALC is for ALL LaMancha breeders regardless of the size of their herd, the quality of their animals or their reason for raising dairy goats. I also believe our programs should be geared to all levels of involvement of our members which is why I participated in the creation of the Dam/Sire recognition program for our members. This program was geared not only for the herds on official DHIR but also for those herds who take part in One Day Milking competitions, show and/or appraise. It was our hope to encourage more participation by offering more categories and levels for recognition.

I would work hard to improve our club and offer programs for all of our members as well as recognition for the hard work our members put into their herds. I feel I can represent you and work for the betterment of our breed if elected. Thank you for your support.

Tricia Greenwood—Vice President Candidate:

My name is Tricia Greenwood and I am also known as Audrey's mom. I am from southern California and have been enjoying being home after multiple fairs, shows and nationals driving with Audrey all over the earth. I don't technically own any goats, but I consider myself Audrey's not so silent partner with her herd of way to many LaMancha dairy goats. I've answered the question "why do you cut their ears off?" more times than I care to elaborate on, so I feel that alone qualifies me to run for VP of the ALC.

Here is a little about me, I am the mother of six children (actual two legged variety) and I have been homeschooling them for the last 12 years. My oldest is married and in college and all the way down to my youngest who turned 13 in Wisconsin during nationals. A few years ago I started going back to school myself to finish my college education that was sidetracked by kids. I have my Associates in Science degree and am currently taking classes to finish my bachelors degree in Web design and development along with a minor in computer information technology. Keeps me pretty busy.

I am willing to help out the ALC because I am grateful for the support you've all shown the youth and I would love to continue improving youth based programs and contacting and getting more youth involved in the ALC. Audrey has learned a lot through dairy goats and all the wonderful people she interacts with. Please contact me if you have questions and I am grateful for the chance to help out however I am needed.

Pam Hogan—Secretary-Treasurer Candidate:

My name is Pamela Hogan, and I live in Gold, Hill, Oregon. I am running for the position of Secretary/Treasurer.

My daughter and I have a herd of LaManchas, and my husband raises French Alpines. My herd name is Featherbrained (our farm has been Featherbrained Farm since we had a small bird hatchery business for several years). My daughter's is Literate LaManchas, and she's the one who got us into dairy goats. We've had LaManchas for about 8 years now, so we're relative newbies to the dairy goat world. We've been on DHIR since 2013, and it's quickly become my passion. We also do linear appraisal, and a little bit of showing. My daughter received her degree in Animal Science from OSU last winter, and will be attending the OSU College of Veterinary Medicine in the Fall, which leaves me with the day-to-day dairy goat management tasks. Thankfully, the goats are a joy, especially the LaManchas, so it makes the job fun.

I am treasurer of our local dairy goat club—Rogue Valley Dairy Goat Association. We put on two shows annually. We also put on an annual goat education day, where I have taught classes on making goat milk lotion and soap. I've also been secretary for the Southern Oregon Poultry Association and secretary and treasurer for our local elementary school's PTO.

I make goat's milk soaps, lotions and body products, and have an Etsy shop where I sell my products. As we all know, you have to do something with all of that milk.

Thank you for your consideration.

Sharon Crain—Director Candidate:

Dear American LaMancha Club

I would like to introduce myself. My name is Sharon Crain and our herd name is 56 & Company. We have a small farm in central Arkansas and raise LaMancha dairy goats. We started into dairy goats as a 4-H project for our child, which quickly grew into a family herd. I have owned and operated a dog grooming business since 1985 and I have been a groomer for 33 yrs. with a life long love for animals.

I am very thankful that we were fortunate to be able to build our herd from some very nice genetics from other herds. I do take our breeding program very serious, with an emphasis on conformation and production, as well as the health of our herd. We participate in DHIR, a few shows and Linear Appraisal.

I am running for a position on the ALC Board of Directors. I would like to be a part of helping to promote, improve, and introduce new ideas for the American LaMancha club and the LaMancha breed. I would greatly appreciate your consideration and support.

Thank you!

Tony Herron—Director Candidate:

Hello Members,

I wanted to introduce myself, my name is Tony Herron and I am running for the director position in the American LaMancha Club.

I have enjoyed my position as director and would like to fill the seat once again. I would greatly appreciate your support in voting for me once again. I will do my best to fulfill the duties and work for you in the best interests of the club.

Please take a moment and vote in our election.

Thank You

Nichole Nadeau—Director Candidate:

Hello, My name is Nichole Nadeau and would like you to consider voting for me for ALC Director. I have been raising dairy goats for over 25 years.

I started in 4-H when I was just a little girl and since have become a 4-H leader myself for our local 4-H club. I am a mother of 4 wonderful teenagers who also enjoy showing. My husband Bryan and I, along with our children live on a small farm in the beautiful mountains of Vermont called Rustic Wood's Farm. We raise LaManchas as we enjoy their personalities and fun spirit! We maintain a small herd of quality LaManchas that we take very much pride in. We show all over New England, attending as many shows as possible from May-October.

If elected for director, I will devote my time and energy into moving the club forward and work very hard on behalf of the American LaMancha Club and all its wonderful members! Thank you for your support!

Anne Jones—Director Candidate:

I hold a DVM degree from the University of Illinois and a MBA from University of Texas at Arlington. Over a 22 year period, prior to 'retiring', I have held a number of positions in veterinary clinical practice as well as marketing and senior leadership positions in the pharmaceutical industry. I fell in love with dairy goats (Nubians and Lamanchas) over 10 years ago and shortly thereafter we (my husband Johnny & I) took the "leap" and began making cheese commercially/full time and Latte da Dairy was born.

Our cheeses have and continue to win numerous awards (with ADGA and American Cheese Society) and our 'girls' do too. We are proud of our permanent champions, including many that now carrying our herd name. We show as much as we can locally and have attended four National shows so far. We are proud to say that we have "made the cut"...and even the top 10 with a number of our 'girls'!

We began the dairy milking 7 goats (6 Nubians and 1 Lamancha) our first year, but have steadily grown to 43 plus milkers. Our herd now consists of approximately 50:50 Nubians and Lamanchas.

We have participated in DHI testing and Linear appraisals every year since we started our herd. I have been an active member of the ADGA Genetic Advancement committee for a number of years. I also have assisted with ADGA conventions by being a presenter several times, as well as helping Caroline Lawson and other Texas goat owners, and clubs, host the 2016 ADGA convention in Austin Texas.

I been an INBA director for several years. I would welcome the opportunity to contribute to ALC in a similar capacity and contribute to its mission of promoting the Lamancha dairy goat.

ALC Specialty Rules

1. The AMERICAN LAMANCHA CLUB authorizes one LaMancha Specialty show per year per ADGA district for a total of 8 shows per year. If there are no applicants from a district by the deadline, any remaining shows will be awarded to other districts on a first come, first serve basis. All applications must be postmarked by January 31 of the current year to be considered.

2. The show must be an ADGA Sanctioned show and open to all members. If your show restricts by location you will not be awarded a specialty.

3. Show results (3 placings per class as well as champions) and pictures of all first place winners as well as all champions, reserves and best of breeds as well as best udder and outstanding youth winner must be sent to the **Specialty Chairman within 14 days of the show**. \$25 of your \$50 deposit will then be returned. Photos **MUST be sent in ELECTRONIC format only (CD, DVD, email)** in order to receive your deposit back.

4. The ALC will furnish rosettes for all GCH and RGCH winners and plaques for Best of Breed in does and bucks. We will also furnish a Best Udder medal and an outstanding youth award. Certificates for all winners will be furnished.

5. If your show has split dates, (does on one date, bucks on another) it will be considered 2 separate shows. Please include both a regular deposit and a buck show deposit (\$80). If applying for a buck show only specialty, the deposit is \$30 of which you will receive \$15 back if all requirements are fulfilled.

6. Please include the name of your contracted judge prior to submitting your application. We will not award a specialty without that information. REMINDER: Your certificates will include the judges' names so we have to have that information to complete your awards no later than January 1.

7. Applications are accepted from postmarked October 1 to December 31. No applications will be considered if postmarked after December 31.

8. Please make sure your information is correct on your application as certificates are printed early in the year and will be printed from the information on your specialty application. The ALC is not responsible for incorrect certificates due to changes made by the applying club after the application is submitted.

9. These rules and application can be changed at any time at the discretion of the ALC President, Board of Directors and Specialty Chair.

Recipe Corner

Valerie's Brunch Frittata

INGREDIENTS

- 1 Tbsp. extra virgin olive oil
- 1 cup cut up cooked asparagus (1"-2" pieces)
- 1 cup cherry tomatoes
- 8 large eggs beaten w/kosher salt & freshly ground black pepper
- 2 oz. Goat Cheese, crumbled
- 2 Tbsp. mix of chopped fresh chives and dill

INSTRUCTIONS

Preheat the broiler.

Warm the oil in a medium (10-inch) nonstick ovenproof skillet over medium heat. Add the asparagus and cherry tomatoes and saute until warmed through. Add the eggs, stir and let cook until firm around the edges. With a spatula, lift the edges and tilt the pan to allow the uncooked portion of the egg to run into the bare pan beneath the spatula. Add the goat cheese and herbs, stir slightly to incorporate, and continue to cook until the edges of the frittata are firm (the center will still be jiggly).

Transfer the pan to the broiler and cook until golden brown on top, about 2 minutes. Allow to sit for 2 minutes, then run a knife or a thin spatula around the edge of the frittata. Cut in wedges and serve straight out of the skillet or slide it out of the pan onto a cutting board, cut in wedges and serve.
